CONFERENCE WITH MR. SANDS.

It is Understood That He May Make a Reply To-day.

As forecast in yesterday's TIMES a committee of railroad men called upon Vice-President and General Manager Sands, of the Norfolk and Western, yesterday morning. A conference was held, but it is probable that nothing definite was accomplished as another one is to be held to-day.

It was impossible to learn the result of this conference, but a TIMES reporter was informed that the committee pressed their ultimatum, and that Mr. Sands asked for time to consider it. Another report is to the effect that the conference was an informal one, and that Mr. Sands told the men to prepare their statement and present it to him.

It is probable that the matter will be settled one way or another in a few days.
